V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

1.) Outsource Texas A&M University Human Resources and Policy & Practice Review instead of Physical Plant maintenance employees. (Sharp gave away so much general knowledge about campus buildings when the working class was outsourced 2012 = No one around long enough to hold anyone accountable now.) Buildings are not being maintained properly. Roof door to exterior of the Academic Building has been missing since at least as long as my inspection 2013, per SFM 2017 inspection.

2.) TAMU & TAMUS adhere to the Regulations, Policy and Codes = Have OSHA inspect TAMU and EEOC ought to be able to enforce the discrimination laws.

3.) As a direct and proximate result of Defendants' actions, Kamme O suffered and continues to suffer loss of comparable employment, loss of past and future income, loss of past and future employment benefits, loss of future earning capacity, and suffered and continues to suffer emotional distress, humiliation, embarrassment, loss of opportunities for career advancement, damage to reputation and overall health.

4.) Kamme O would further show that the acts and omissions of Defendants complained of herein were committed with malice or reckless indifference to the protected rights of Kamme O. In order to punish Defendants for engaging in unlawful discrimination and retaliation and to deter such actions and/or omissions in the future, Kamme O also seeks recovery from Defendants for exemplary damages.

5.) Plaintiff seeks monetary relief against Defendant. If TAMU can afford \$10million to the Football Coach, it can afford \$33million for the decades of assorted discriminations and excessive bullying that Kamme O was subjected to over and over and over again.
